

Ribbon Cable Assembly

Available Connection with single - fiber connectors
(SC,FC,ST,MU,LC) and multi-fiber connectors

Small-size and high strength furcation

Easy expansion depending on ribbon fiber counts

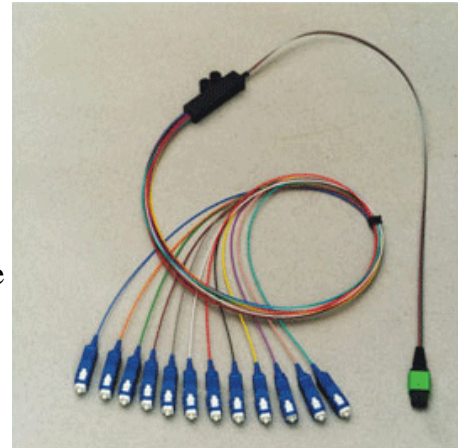

Compliant with Telcordia specifications

4,6,8,12,36 fibers Ribbon cable Fan-out Splitter Available

Splitting Cable in ODF

Low Insertion Loss

High Return Loss

Bundle Cable Assembly

2,4,,6,8,12,24,36,72,96 fibers Bunch Fan-out Splitter Available

Furcation Part

High fiber tensile strength with double shield

Low bending loss

High density interconnection

Easy fiber identification by coloring

Variety of connector types applicable
